

Haemovigilance Programme of India

Haemovigilance Programme of India was launched on 10th December, 2012 at the national level in 90 medical institutions across the country by National Institute of Biologicals (NIB), NOIDA, Ministry of Health and Family Welfare, Government of India as the National Coordinating Center (NCC). The objective of this programme is to track Adverse Reactions associated with Blood Transfusion and Blood Donation. Reporting under this programme is voluntary in nature. There is no fee for enrolling or reporting under this programme.

How to Enroll Your Centre under HvPI

Who can enrol?

Head/Incharge of Transfusion Medicine Department / Blood Bank

How to enrol?

- 1) Head/Incharge of Transfusion Medicine Department/Blood Bank provides the necessary details to the National Coordinating Center (NCC)-Haemovigilance Programme of India (HvPI) by sending the duly filled Enrolment Form either to NCC at National Institute of Biologicals, Ministry of Health and Family Welfare, Plot No. A-32, Sector-62, Institutional Area, NOIDA-201 309 (U.P.) or via Email to NCC at haemovigilance@nib.gov.in
- 2) After verification, NCC issues the User Id and Password to the Head/Incharge of Transfusion Medicine Department/Blood Bank to access the (a) Haemo - Vigil Software (b) Donor-Vigil Software for onward Submission of Transfusion Reactions Reports and Adverse Blood Donor Reaction Reports to NCC.

Download Enrolment Form from the site: <http://nib.gov.in/Annexure7.pdf>

How to Report?

Reporting of Adverse Transfusion Reactions via Haemo-Vigil Software & Adverse Blood Donor Reactions in donation via Donor-Vigil Software.

- Centres enrolled under HvPI receives unique user Id and password from NCC-HvPI, NIB.
- User Id and Password is same for both the Softwares i.e. Haemo-Vigil (to report adverse transfusion reactions) and Donor-Vigil (to report adverse donor reactions).
- Software(s) link is available at NIB website i.e. www.nib.gov.in under the tab of Haemovigilance Programme of India.
- The adverse reaction reports can be uplinked and submitted online via the above mentioned software(s) to NCC-HvPI, NIB.

National Institute of Biologicals (NIB) had been set up in 1992 as an apex autonomous Institute under the administrative control of the Ministry of Health & Family Welfare, Government of India for promoting and protecting human health through various activities assigned to it.

The mandate of the Institute includes ensuring provision of quality biological drugs i.e Invitro diagnostics, Vaccines and Biotherapeutics, including therapeutic monoclonal antibodies used by patients suffering from cancer and autoimmune diseases by undertaking high end science based testing with R&D interface for application of science. One of the main functions of the Institute, as per by-laws 3.5.8, is to undertake research, establish linkages and exchange personnel with different institutions in India and abroad for furtherance of its mandate.

Other subjects forming part of its mandate are

- developing and validating standards for quality control testing;
- developing linkages with other National/ International institutions and keep abreast with worldwide scientific research and technological developments;
- providing training facilities in quality control of biological;
- assessing from time to time the availability of qualified manpower; and
- implementing and co-ordinating activities of Haemovigilance Programme of India.
